(Central 20—Euclid 0.)
28. After the meeting, William Yates surely
feels big
'Cause now he's editor of the "Al-Geo-
Trig."

went,
But to the wrong team, the victory was
sent. (Central 6—Libbey 7.)

brought,
Central students wrapped in deepest
thought.

Conducted a novel religious quiz bee.

Ha! Ha! . . . April Fool!
12. The Student Court convened for first time—
Its purpose—make students toe the line.
12. The "Junior Centric" came out today
'Twas extra good, all students say.
12. At the "Spring Frolic" danced each lad and maiden
The luckier ones went home cake laden.
- 17-18-19. These days are just without rhythm or rime
Anyhow, it's six-weeks test time.
23. Jane Rees and Gerald Welch were elected today,
Senior's feeling at Graduation to convey.

MAY

1. O Mary, Mother, Queen of May
A crown we bring to thee today.
15. Today we began at the dear Savior's Feet
An event to remember, the Senior retreat.
17. We've studied Religion, we've done all we can
To make a success of the Religion exam.
17. Get everyone interested. Come on, be a pal.
Insure the success of the Summer Festival.
22. Yearbooks are out and do we have fun
Getting those "John Hancocks"—one by one.
23. There's a tension in the air,
Those final exams have put it there.

JUNE

2. To Mass and breakfast the Seniors went,
Honors Father Kirsch did to some present.
3. The last of the tests get under way,
For passing grades, we hope and pray.
Graduation Day—
4. After four short years we leave today
Though sad at heart, we try to look gay.
11. With happy faces and merry smiles
We went on our boat ride for many miles.
17. Off to Swayne Field we trot today
To draw stubs, not to see the Mud Hens play.
(Summer Festival Drawing)

In Memoriam

It has become a tradition at Central to dedicate a page of *The Centripetal* to the deceased members of the faculty and student body with the hope that the present faculty and student body will offer an occasional prayer for those of the Central family who have gone on to their eternal reward.

MR. PATRICK MURPHY

Mr. Patrick Murphy, born in Ireland sixty-five years ago, died in his home, April 16, 1940. He came to this country in 1914 and began working for Central in 1926. For thirteen years he served in his fullest capacity as a member of Central's maintenance staff. Due to ill health he was forced to retire from work last year but he never failed to visit occasionally his countless friends at Central. Among those who mourn his passing are the thousands of students who met him during his thirteen years at Central.

The Seniors

SENIOR CLASS OFFICERS

<i>President</i>	GERALD WELCH
<i>Vice-President</i>	ROSEMARY ARVAY
<i>Secretary</i>	RICHARD BURNETT
<i>Treasurer</i>	MARY BURNETT

WE, SOME three hundred and six graduates are no longer a part of the Central student body. Thoughtfully we review the past four years which have been filled with so much happiness. And this, our Senior year, will always be foremost in our memories. It has been a most successful one.

The class officers proved to be a wise selection. The Centric and Centripetal were successful publications. "Ladies of the Jury" and "H.M.S. Pinafore" exceeded average productions. After the election of the valedictorian and salutatorian and the Senior retreat, our last scholastic activities were completed.

At the breakfast and on graduation night, we sadly realized that never again would we be gathered together in a body.

As each Senior class departs, they leave something, which as the years roll by, forms Central's tradition. We, the class of forty, hope that we have added to that tradition. And so it is that we regretfully leave Central's student body, and happily join the ranks of Central's alumni.

The Juniors

JUNIOR CLASS OFFICERS

President	THOMAS ANDERSON
Vice-President	LILLIAN ANTESBERGER
Secretary	CHARLES MOUCH
Treasurer	MARGARET MARTIN

ATS OFF to the Juniors for the ability and co-operation they have shown during the past year.

1940 has witnessed the largest Junior class Central has ever known, numbering 351 students. Large in number, but greater in activity.

Headed by their class officers, they have partaken wholeheartedly in all the events of the year.

In the field of sports the Juniors have held their own, contributing players to the football, basketball, baseball, tennis and golf teams. The success of the operetta was due, in no small part, to the untiring efforts of the Juniors, who comprised most of the cast and were the highest in the ticket sale. The publication of the Junior Centric was an achievement of which they may well be proud.

Taking all these activities into consideration, we feel confident that the Juniors who step across the threshold of Seniorland will successfully shoulder the large responsibility that is contained in being a Senior.

The Sophomores

SOPHOMORE CLASS OFFICERS

<i>Vice-President</i>	ALBIN KAMINSKI

<i>Treasurer</i>	ALENE BALL

OPHOMORES, here's to you . . . a little wiser, perhaps' . . . a little sadder, mayhaps, because your year of fun has drawn to a close.

The Sophomore class of 1940, led by their president, Dorothy Girard, is on the last lap of recuperation from the most deadly disease known in high schools, "Sophomoritis."

This year there are twelve Sophomore conference rooms, seven of which are boys' rooms and the remaining five are girls' rooms.

The Sophomores were constantly striving to top the other classes in school activities. 24.8 per cent, or 111 out of the 477 second-year students maintained a perfect first semester attendance record. The second-year students made a fine showing on the 5-A list.

In many of the sporting events of the year, the Sophomores did their part. There were 33 boys on the football squad, 12 on the basketball team, 2 on the bowling team, and 1 on the baseball team.

Now, at last, the anxious Sophomores are ready to become the ambitious Juniors of next year.

Sophomores—Here's to you—Good Luck!

The Freshmen

FRESHMAN CLASS OFFICERS

<i>President</i>	ROBERT ANDERSON
<i>Vice-President</i>	MARY SUTTER
<i>Secretary</i>	RICHARD REES
<i>Treasurer</i>	EILEEN OTTING

AST September 451 Freshmen began their scholastic adventures at Central. Now at the close of the year, on looking back over the records, we find that they have fulfilled their duties as students of Central by keeping up their school work and by cooperating wholeheartedly in all school activities.

The Freshmen, the largest class in the history of the school, showed wisdom in the selection of class officers to represent them.

Although, like most students, they dislike carrying great numbers of books around, yet they managed to be well up in their "book larnin," having 47 students on the semester 5 A list and 33 on the semester 4 A list.

The Freshmen proved their super-salesmanship in promoting the sale of tickets for the operetta, "H. M. S. Pinafore." Room 316, Freshmen Girls led the entire school with 64% of their quota.

From such fine beginnings can come only a class that will ably uphold the traditions of Central.

MAIN ALTAR OF CHRIST THE KING

O Christ Jesus, I acknowledge You as the Universal King. All that has been made, was created for You. Exercise over me all the rights that You have.

Divine Heart of Jesus, I offer You my poor actions to obtain that all hearts may recognize Your consecrated Kingship and that thus the Kingdom of Your peace may be established in the whole world. Amen.

ALTAR OF THE BLESSED VIRGIN

"Holy Mary, Mother of God and virgin, I choose thee this day for my queen, patron, and advocate, and firmly resolve and purpose never to abandon thee, never to say or do anything against thee, nor to permit that aught to be done by others to dishonor thee. Receive me, then, I conjure thee, as thy perpetual servant, assist me in all my actions, and do not abandon me at the hour of my death. Amen."

MARCHING ON

No more to hear the bells ring,
No more to hear the students sing,
We're on our way, to fight for our-
selves—

That's us, the class of '40.

Lockers closed, books away,
No more to use them from day to day,
We're on our way, with the long road
ahead—

That's us, the class of '40.

Our Lady...

THIS LADY IN BLUE

*She's beautiful, loving and gentle,
This Lady, clad in mantle of blue,
As she smiles at us
From her altar
And watches all we do.
At her feet we lay garlands of roses
By praying a rosary each day.
And she tenderly guides us
With a hand that is firm,
To keep us in Virtue's way,
Because Mary, the Queen, is Christ's
Mother,
The Mother of all of us, too.
And all during May
Each day let us pray
For help, from this Lady in blue.*

IN THEE

O Thou
That makes the butterflies
And all the birds and bees,
Guide my soul
With Thy golden light
That it may at last find
Thee.

Dear God

Please help me now

That I may serve You well

To gain heaven and be with Thee
Forever.

Janet Scheuplein '40.

FAREWELL TO CENTRAL

O Central we salute you,
'Ere we breathe our last farewell.
Four short years we've given you
And you've repaid them well.

The knowledge that we bear away
We'll try to use each day.
We'll face life's victories and defeats,
And strive the best to choose.

A corner in our hearts we'll keep
For the Scarlet and the Grey,
And often we will breathe a prayer
That God may with thee stay.

And so we leave thee with a smile,
Though parting brings us pain.
And through the years as life goes on
May blessings on thee rain.

Basketball — 1939-40

This year Coach McCarthy's 1939 City Champs stepped into a fast and heavy schedule. After the smoke had cleared from the court firing the Irish had made the best of it and found themselves settled in the fourth slot of the city race.

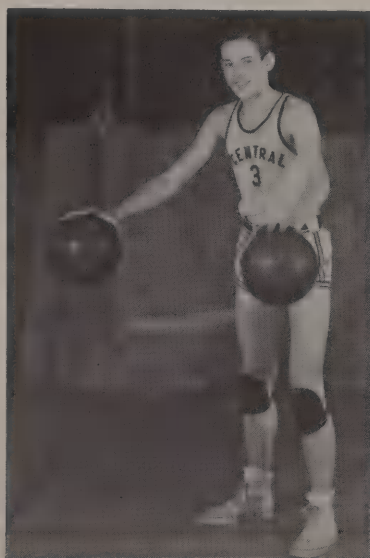

Five returning veterans formed the first string basketball squad of the 1940 season. Several fast-stepping reserves also broke into the court of play as the season progressed.

1940 EDITION OF IRISH BASKETEERS

JOHN ROESNER—Center—6 ft. 2 in.

Johnny was a noted all-around player but his finest work was under the basket. Time and time again he figured in the starting of the Irish fast break.

HAROLD MOUCH—Forward—5 ft. 9 in.

Central's flashy and speedy forward was this lad. He stood out many times in the Irish rally and his efforts were recognized by his teammates who elected him most valuable player.

JOHN ANDERSON—Forward—6 ft. 1 in.

His ability at hitting the hoop from difficult angles put Central on the long end of many a tally. Johnny's loss is a severe blow to the Irish squad of next season.

SAMUEL JACOBS—Guard—5 ft. 11 in.

Sammy, an all-around basketball expert, possessed unusual ball handling ability. He coupled this with confidence and earned the captaincy of the squad.

LELAND NAUGLE—Guard—6 ft.

Lee, a veteran guard, starred on both defense and offense. Co-ordination and ease marked his efforts on the court. Surely the waxwoods will miss his cool head and accurate eye next season.

VICTOR KOSYDAR—6 ft. 2 in.

One of Central's most valuable guards. He starred for the Irish throughout the year. Though his work was not steady, this guard's performance at times was spectacular.

Minor Sports

GOLF

Chuck Etue captains this year's edition of golfers in their competition with other Toledo High School linksmen. The sextet of Etue, Jack Pietrykowski, Ed Mowka, Jim Evans, John Waltzer and Paul Pastorek proves an able aggregation from tee to green. The Ottawa Park layout is the scene of the matches this year and these eighteen greens will see many an Irish victory.

TENNIS

Twelve hopeful prospects answered the Rev. J. D. Shenk's call for candidates for the 1940 tennis team. The six players who were finally chosen for the squad were John Stoeckley, Edwin Konicki, Clarence Lindenberger, Richard Gibbons, John Wirries, and Richard Corrigan, all members of the '39 team. This year the team played DeVilbiss, Macomber, Waite, Woodward, Scott and Libbey.

Left to right—John Waltzer, Robert Schiebel, James Evans, Charles Etue, John Pietrykowski, Paul Pastorek.
Standing—Edwin Konicki, Donald Wilhelm, Edward Cieply, Richard Gibbons, James Sattler.

NATIONAL LEAGUE

National League, Standing—John Lewandowski, Donald Wilhelm, Melvin Czarniecki.
Bottom Row—Lawrence Brannan, John Pietrykowski, Eugene Kozlowski.

BOWLING

Under the Rev. A. T. Schmit, Central's Bowling mentor, the Irish keglers wound up a successful Ten Pin Season holding third position in both American and National pin circuits. In the Lucas County scramble for local high schools, the Americans rolled in with fifth honors followed by the brother Nationals who grabbed sixth spot.

Baseball

Top Row, left to right—Bernard Daney, Raymond Guese, Philip Skeldon, Del Biniak, Virgil Tank, Donald Pinciotti, Edward Gasiorowski, William O'Connell, Victor Kosydar, Charles Reger.
Bottom Row, left to right—Francis Gilhooly, Charles Mouch, Rudy Harris, Andrew Pietrykowski, Harold Mouch, Daniel Kobleuck, bat boy, Raymond Kusner, James Rosenthal, Leland Naugle, James Costell.

With Maurie Connell serving as assistant to Dutch Tscherne, ninety baseball recruits were put through extensive batting and fielding practice for over two weeks early this spring.

The result was twenty high spirited ball players, including a hard hitting outfield, a defensively balanced infield and a reliable hurling staff, with eight veterans carrying the burden.

Opposition in the City League proved to be evenly matched this season.

Manager and Cheerleaders

Managers—Robert Miller, Robert Fehlen, Michael Nugent.

Cheerleaders—Donald Morrin, John Waltzer, Joseph Lohn, William Sheahan, James Tafelski.

Behind the scenes of every athletic association are the managers and cheerleaders. The checking and upkeep of athletic equipment and the locker rooms is entrusted to the managers. Though their work is often unsung, it is upon them that the efficiency of an athletic machine depends.

In front of the stands at every game is a happy-go-lucky group known as the Cheerleaders. They instill spirit into the crowd—the spirit to win. They are the sideline backfield that lends the moral support that may often lead to victory.

GYM INSTRUCTOR

MILDRED MOHR BORGERSON

In their gym classes the girls play basketball, newcomb, hit pin, and volley ball. Occasionally they compete with squads from other periods.

In May, the fifteen girls having merited the highest points for various activities during the year received G. A. L. monograms.

FAREWELL

With the closing of this year of school comes the resignation of Mildred Mohr Borgerson, who for the past five years has been the girls' athletic instructor.

It is with a feeling of regret that the students and faculty see her athletic work at Central come to a close.

Book Week

Fifty new books were added to Central's library this year as a result of the annual library drive conducted from December 8 to 18. To create further interest in the drive each conference room was named after a Catholic College football team. With John Callahan acting as sports commentator giving the standings day by day, the "Book Bowl" was a great success. The Slippery Rock Teacher's team of 317, led by Sister Joseph, led the "Book Bowl" race until the last day when St. John's of Minnesota of 318, led by Sister Florian, took first place by downing Slippery Rock Teachers by 404% to 400% of their quotas.

The Centripetal

THIS YEAR marks the twentieth time that The Centripetal has been published. The yearbook is a Senior project, financed and edited by the Senior class. In it the staff has tried to review the past year and to present to the students a remembrance of their days at Central. If, in later days, the Annual brings to mind a friend, a scene, a memory, it has been well worth the time and efforts of the staff.

Student Council — 1939 - 1940

Council Officers

President RICHARD BURNETT
 Vice-President WILLIAM LAFLEUR
 Secretary MARY BURNETT
 Treasurer LILLIAN ANTESBERGER

Central Catholic High School,
 2570 Cherry Street,
 Toledo, Ohio.

Dear Father Kirsch:

We, the Senior members of the Student Council, have taken this opportunity to inform you of all Council undertakings during the past year.

When the first official meeting of the Student Council was held, the Reverend Joseph D. Shenk and Sister Mary Eventia, S. N. D., moderators, announced that Richard Burnett had been elected to preside over all forthcoming meetings for the 1939-1940 season. He was to be assisted by William LaFleur, Vice-President; Mary Burnett, Secretary, and Lillian Antesberger, Treasurer.

On October 31, the Junior members sponsored Color Day, an annual Junior undertaking. The most successful activity of the Juniors was that of Tag Week, held on the 20th, 21st and 22nd of November. It was concluded with the first dance of the year, the Turkey Trot. The entire week was socially and financially successful.

Two dances—a Valentine Prom and a Spring Frolic—were attended by more than five hundred students. The Spring Frolic concluded the social season of the Council.

Volunteer Senior and Junior boys ushered at "Ladies of the Jury," the Senior play, on the second, third and fourth of February; at "H. M. S. Pinafore", the operetta, on the fifth, sixth and seventh of April; at the Parent-Teacher Meetings of November 17 and February 9; at the annual May Festival in which all Parochial elementary and high school students participate, and on June 7 at Swayne Field, for the Summer Festival. The Junior boys ushered at Commencement on June 4.

2. Committee for Dances.
3. Junior Color Day Committee.
4. High point students in Catholic Chronicle campaign.

- 2, 3. Traffic officers on duty.
4. Student Council takes over class in absence of teacher.
- 5, 6. Ushers at dramatic productions.
7. Student Court in session.

High Point Man in Chronicle Drive

DONALD WILHELM

The final receipts of the Catholic Chronicle Drive showed that we had topped our quota and had surpassed the other years in the number of subscriptions. Donald Wilhelm again led the school, securing 38 full-year subscriptions and nine half-year subscriptions.

In the Community Chest Drive, there were 24 rooms that either obtained the quota in contributions or surpassed it.

The Student Court was put into effect April 11. Gerald Blanchard was appointed Commissioner of Justice, with Virgil Tank as Assistant Commissioner. A jury of five was appointed every two weeks, so that all Student Council members might become acquainted with Court procedure.

We hope, Father, that this record will be of assistance to you in recording the activities of the Council of 1940. We believe that this year has been a successful one, and wish the Juniors continued success in the 1941 Student Council.

Sincerely yours,
THE SENIOR STUDENT
COUNCIL MEMBERS.

Religion Department

Sister Mary Thomasine's Junior boys' study the Encyclical of Pope Pius XI, on the Catholic Church. The Rev. W. T. Hanley's Senior girls listen attentively while he explains a passage from the Encyclical on Christian marriage.

Sister Mary Imelda's conference group of Freshman boys place on exhibition their large collection of religious pamphlets.

The Freshman religion class of Sister Mary Paul discusses a matter relative to present-day interest to the Church.

Religion classes are the pivotol ones in the curriculum of any Catholic school. Religion is the main characteristic which distinguishes a Catholic school from a secular one. Four years of religion are required for all students.

Many classes engaged in extra activities. Some of them made sacramental charts, held discussions on present day events in connection with the Catholic Church, and read biographies of Saints. The Senior classes made a detailed study of the sacrament of Matrimony.

For the first time in several years, the Senior groups have been under the direction of priests. The classes taught by the Rev. W. T. Hanley, Rev. J. J. Malone, Rev. K. A. Hans, Rev. W. Cowan, Rev. A. T. Schmit, Rev. J. D. Shenk, and the Rev. J. L. Harrington, completed the Senior religion book, Faith and Reason. The book is based on the defense of the fundamentals of the Catholic church. The Rev. Gerald W. E. Dunne instructed his class on the fundamentals, but used as a handbook, the Protestant Reformation in England and Ireland.

The Junior religion classes made a study of the Catholic Church, while several of them read the Encyclicals of Popes Leo and Pius XI, on the Church.

The Sophomores studied the Means of Grace. Several groups made Mass booklets and sacramental charts as a sideline activity.

The Freshman class found interest in studying the Commandments of God and the Church. The Freshmen were active in the Clean Literature Drive which was carried on throughout the city. Many classes exchanged leaflets and magazines.

Music Department

The Music Department, under the personal supervision of Mr. Joseph Sainton, consists of one hundred ninety-two members who make up the Orchestra, the Band, and the Glee Club. In addition to his teaching at Central, Mr. Sainton is a private tutor of music. He has been associated with Central for nine and one-half years. He is also the director of the Toledo Philharmonic Orchestra.

Sr. M. Camillus, O.S.F., is faculty supervisor of the entire Music Department.

MR. JOSEPH SAINTON
Music Director

ORCHESTRA

The thirty-one members of the Orchestra have been an active group during the past year. The instruments played in the various presentations are seven first violins, eight second violins, three clarinets, three bass viols, two cellos, three trumpets, one trombone, two tympani and a piano.

The Orchestra and Glee Club often co-presented programs over the Public Address System as well as at assemblies. By giving several musical selections, the Orchestra contributed to the success of the senior play, "Ladies of the Jury." Also the great part they played in the musical comedy, "H. M. S. Pinafore," was indispensable.

Together with Notre Dame Academy's and St. Ursula's Academy's orchestras, Central's took part in the annual Music Festival, playing five selections: Coronation March, "Le Prophete" by Meyerbeer; "Adagio Pathetique" by Godard; Overture "Rosamunde" by Schubert; Serenade from "Les Millions d'Arlequin" by Drigo; and Selection from "Il Trovatore" by Verdi.

The Orchestra calls time out.

JOSEPH SHEPERD

DRUM MAJORS

Heading the Band are our two drum majors, Joseph Sheperd, '41, and his assistant, Gerald Plank, '41, who have twirled and twisted their silver batons to peppy rhythms during the home football games of the season.

These two able leaders have directed the Band for two consecutive years and we think they are plenty fit to carry on for a third.

GERALD PLANK

BAND

The Band is an organization composed of sixty-six students, some of whom have progressed from untrained musicians to capable members of one of the largest high school bands of the city. Five trombones, three baritones, five French horns, three saxophones, eight drums, one cymbal, twenty-three clarinets, and seventeen trumpets are the instruments included in the band.

With Mr. Sainton directing, the band is now finishing its eleventh successful year. It has added color and enthusiasm to many assemblies as well as football games. It again took part in the annual Music Festival, playing the following selections: "Triumphal March" from "Aida" by Verdi, "Gavotte Amaryllis" by Ghys, and "Pilgrims' Chorus" from "Tannhauser" by Wagner.

The Band gets ready to tune up the school song.

The girls in the Glee Club start practice on the Mass for Dedication of the Cathedral.

GLEE CLUB

The Glee Club, a regular curricular activity of the school, has as its purpose the development of musical ability and true appreciation of music. Practices are held every day during the 5A, 5B, and 5C periods.

The Glee Club has shown its ability to render all types of music, some of which was brought to the footlights in Gilbert and Sullivan's musical comedy, "H. M. S. Pinafore," to the accompaniment of the Orchestra. This was by no means the sole activity of this organization, for it appeared in many pro-

grams given over the Public Address System and also at assemblies.

On May 11, the Glee Club rendered several selections at the annual Music Festival presented by Toledo Catholic Schools. Accompanied by the Orchestra, they sang "The Lass With the Delicate Air" by Arne, "Out of the Silence" by Galbraith, and "Carmena" by Lane Wilson.

Under the direction of Mr. Sainton and the supervision of Sr. M. Camillus, O.S.F., the members have been fashioned into finished products of more than average perfection.

The boys prepare for "H.M.S. Pinafore", musical comedy.

History Department

Central's History Department includes the three general fields of Ancient and Medieval, Modern, and American history. Twenty-six classes convene daily, nine of which are American history classes, ten Modern, and seven Ancient. In all, there are approximately nine hundred and twenty-four students enrolled in the department. The classes are taught by five Sisters of Mercy, Sr. M. Austin, Sr. M. Germaine, Sr. M. Paul, Sr. M. Neri, and Sr. M. Imelda, two lay teachers, Mr. Adolph Tscherne and Mr. George McGarry, and one Franciscan Sister of Joliet, Sr. Rose Agnes.

These classes strive to make their sessions more interesting by participating in various projects including current news discussion clubs and special reports. The use of stereoptican slides and maps vitalize interest in the subject.

TOP — These girls are in Sister Germaine's second period American Government Class. They are studying the government of Ohio and every girl has obtained a copy of the constitution of her state.

BOTTOM — The boys of Sister Neri's eighth period Modern History class found it interesting to make a comparison of the map of Europe in 1940 with that of the same countries in 1918. Raymond Etzel is shown at their special map whose borders could easily be changed so that the project could be kept up to date.

The Ancient history classes sponsored the showing of "The Crusades" for general patronage after school, April 24 and 25. The movie depicted the third Crusade led by Richard of England and Philip of France. Periodically, during the year, the American history groups, using their class time, saw several movies concerning the lives of early Americans. Some American history classes found it interesting working on a project which they termed a *Catholic Supplement* to their text. This led them to do research in the biographies and works of early missionaries and prominent Catholic statesmen and scholars. The volume when bound will be the classes' contribution to the library.

English Department

Since English is a required subject, almost every student at Central is enrolled in one of the forty-five classes held daily. The course aims to give the student the fundamental mechanics of normal language activity and to develop an interest in the literary interpretation of truth and beauty found in life.

There are thirteen Freshman groups, twelve Sophomore, eleven Junior, and ten Senior classes held daily. The Senior course includes two journalism classes, four public speaking and four English Literature groups.

The journalism students are taught the fundamentals of news gathering and news editing. It is this group which edits the CENTRIC, the official news organ of the school. The public speaking classes are put through a thorough study of Parliamentary Procedure and are given ample opportunity for effective practice. The literature groups stress American and English fields and in both the Catholic writer and his work are emphasized.

The English Department is under the supervision of the Ursuline Nuns with Sister Mary Joseph, O. S. F.; Sister Mary Liguori, O. S. F.; Mr. John Bagdonas; Mr. George McGarry, and Mr. Roman Young also in the department.

1. One of Junior classes taught by Sister M. Austin, O. S. U., study Catholic authors. Book-jackets show reports submitted by class.
2. Mr. John Bagdonas has demonstration in public speaking class.
3. Sister M. Aloysia, O. S. U., has her Sophomore class pause during a test to do a bit of posing before the camera.

The Latin Department

1—Juniors diligently study the works of Cicero.

2—Freshman boys are taking their daily Latin quiz.

The department has 378 boys and 192 girls registered in its four years of Latin.

The third year classes, in charge of Sister M. Gordian, have taken up the works of Cicero. The fourth year, conducted by the Reverend Arthur T. Schmit, have studied classical Latin as developed and perfected by the Catholic Church. Pope Leo XIII's Encyclical on Free-Masonry was studied for style in composition and content.

A test, sponsored by the Association for the Promotion of the Study of Latin, through its official publication, "Auxilium Latinum," was

taken by all Latin students. Gold Medal prize winners were Joseph Paszek '40, Ralph Reichert '41, Thomas Donohoe '43, Leonard Langenderfer '43, and Irene Rutkowski '43.

The test has been taken for four years, during which three other Central students have been awarded Gold Medals. The school has received a trophy in recognition of the three consecutive prize winners. The Association also awarded every "A" student a Certificate of Efficiency in recognition of splendid work.

The German Department

There are eighty-five students enrolled in the German department. These students consist of three different classes—first year, second year, and the class which alternates annually in third and fourth year content material.

"Der Deutsche Verein" is the German club whose purpose is to sustain and promote an ap-

preciation for German literature, art, and music. During the current year members have done research work on the lives of great German composers. On January 12, the club sponsored for the entire student body the showing of "Die Singende Jugend" (The Orphan Boy of Vienna).

German class sings the famous old German folk songs.

French Department

Spanish Department

1—A group of French students sing the Jociste March of Conquest.
2—A Spanish class studies the famous cities of Spain.

FRENCH

To gain a better appreciation of the French language, it is thought helpful to study the factors influencing it. This, the student of French at Central is fortunate in being able to do. For further knowledge of France the French student has the opportunity of taking "visual trips." The department has a splendid collection of films that bring France to the classroom.

There are five classes of French with an enrollment of one-hundred ten students.

The department is supervised by Sister M. Roselma, O. S. F.

SPANISH

During the current year over a hundred students studied Spanish—the commercial language of the world. They have gone through elementary word study and have progressed to complete short story reading and translating of materials relative to Spain and South America.

In the classes taught by Sister M. Consilia, O. S. F., not only have the students learned the language of Spain but also the life, customs and early history of the people. The students also studied about the early missionaries and explorers of the Southwest of our country.

Boys' Art Department

Members of Boys' Art Department and their work

Since its establishment in 1934, the boys' art department has gradually become a popular course, for twice as many students enrolled for the primary course than any year previous.

The first step of this course, taught by Mr. Ludwig E. Thuel, is to develop form in design. First instructions in architecture and necessary fundamentals in geometry follow. Floor plans and details of sections of various buildings are then drawn up to be later blueprinted. The first year students completed a project of constructing an entire layout of a two-story residence.

In the advanced classes, interior and furniture design is stressed. The future designer begins with a rough sketch which is worked out in detail, later being drawn in perspective and colored.

Another phase of the course is the furniture department. Its students have proved themselves able to produce furniture when they constructed two easy chairs that were raffled off for the Library fund. All furniture is built by the students from original designs.

Other branches just as important in this course include oil painting, model construction, ornamenting and casting.

ART

BY MORRIS GRAY

*President, Museum of Fine Arts,
Boston*

*Not by its conquests doth a nation live
But by its art—the art that gives its soul
Embodiment:
Today, who knows of Troy
Except through Homer's song? Of Egypt's past
Did not her sand-swept tombs and temples breathe
Her sombre mystic faith? Not Salamis,
The Parthenon is Greece or even this—
The sculptured head that gives, as naught else
does,
A God's serenity or, yet again,
All girlhood's loveliness. And not by popes
Or kings—forgot—the Gothic age survives.
It lives in Chartres or in some primitive
That paints the Adoration of the Child . . .
These have not died whose souls live with us yet.
Art thou my country satisfied to have
Some deliver in the coming sands of time
Find some strange twisted skyscraper and say,
"These people knew the early use of steel."
Content with that! Where speaks thine own great
soul,
The liberty of man. E're thou shalt change—
And all life holds within within its glowing
veins
The seed of change—will art not give thy soul
Embodiment? Will it leave that to die?*

2. Junior and Senior students drafting dress patterns.

Girls' Art Department

The purpose of art education is the development of appreciation for the beautiful and the acquisition of the power to produce the beautiful. This is the aim of the girls' art department at Central.

Sister Mary Hilda, S. N. D., directs the department which offers the following course:

First Year: Composition, color theory, free hand sketching in charcoal, water color, lettering, and poster work.

Second Year: Designing, pen and ink sketching, liturgical needlework, and posters.

Third and Fourth Years: Advanced designing, interior decorating, costume designing, free hand drawing in pastel and water color, and the technique of theatrical make-up.

The Junior and Senior students also manage the photography for the Centripetal as well as all photographic plates for the annual.

The St. Hilda Guild, a division of the Student Spiritual Council, whose purpose is to care for the altar and its necessities, is composed of girls in the art department.

Mechanical Drawing Department

Top—Freshman classes study the fundamentals of mechanical drafting.
Bottom—Seniors check drawings of Brewster Special aeroplane.

OFFICERS OF THE DRAFTSMEN'S GUILD

<i>President</i>	Joseph Staebell
<i>Vice-President</i>	Robert McVicker
<i>Secretary</i>	Bernard Rowe
<i>Treasurer</i>	Robert Desmond
<i>Sergeant-at-Arms</i>	Robert Muller

The Mechanical Drawing Class under the supervision of the Rev. Gerald W. E. Dunne, A. M., Litt. D., and Mr. Bernard J. Carter has aimed at finishing one major project each year. This year the class obtained and dismantled a Brewster Special aeroplane that had been in the air but thirty-two hours. Detailed drawings of each part were made by the Sophomore, Junior and Senior students. The Freshmen were unable to participate in the project because they lacked a complete knowledge of the fundamental principles obtained in the first year.

Motor assembly elevations were executed by Donald McMillen, Edward Pierce, Charles Adkinson, Robert Marisay, Bernard Rowe and

Dale Deaudry. Assemblies of the fuselage and wings were drawn by Joseph Staebell, Robert Desmond, Robert Muller, John Waltzer, Robert McVicker and Edward Breitfelder. The controls were handled by William Fitzcharles and Louis Lange, while Lawrence Mueller drew the complete assembly of the landing gear. An elevation of the front of the ship was drawn by Leonard Niezgoda. Robert Muller, John Waltzer and Victor Nawrocki drew a side elevation of the ship as it is seen in the air.

According to Father Dunne, the work produced this year by the Draftsmen's Guild is more advanced in quality and quantity than any produced since he took over the supervision of the department in 1923.

Science Department

CHEMISTRY

Under the leadership of Sister Marie Therese, O. S. F., and Sister Mary Agatha, O. S. F., 110 students have obtained a better knowledge of the problems contained in the study of Chemistry.

During the year Grace Brady won fifth prize in the Current Science Contest, and Lawrence Flaherty won honorable mention in the Duquesne University Contest.

A chemistry club, The 93rd Element, was formed this year and is composed of 60 members, which was divided into various committees to study the different phases of Chemistry. The president was John Bottorff, Casimer Rejent, Vice-President; Ruth McDaniel, Secretary; Kathleen Connors, Treasurer, and Robert Schmidt, Publicity Agent.

GENERAL SCIENCE

The scope of general science includes the study of air, water, heat, energy, weather, changing earth, magnetics and electrical energy.

The science students made large posters this year depicting the lives of great scientists. In this course the student is given a general idea of each of the three major sciences, Chemistry, Physics, and Biology. The general science classes are conducted by Sister Mary Teresita, O. S. F., and Sister Mary Caroline, O. S. F.

BIOLOGY

The interesting charts and models which illustrate the topics of science studied by the 232 students help to give them a better and clearer understanding of plant and animal life through the various stages of development. Through the use of the microscope the students have obtained information about the things that are invisible to the eye.

The biology classes are under the supervision of Sister Mary Florian, O. S. F., and Sister Mary Agatha, O. S. F.

PHYSICS

One hundred and fifty students under the guidance of Mr. V. Fischer, now possess a better understanding of machines, heat, light, sound, and electricity.

This year every student was required to write a three thousand word essay on any phase of physics. In this class through experiments the students have obtained a better slant on the various phases of physics. Mr. Fischer has shown many fine movies not only for his own class, but for the various science classes throughout the school.

1. The fifth period chemistry class working an experiment.
2. The sixth and seventh period biology class studies the human body.

Commerce Department

The Louis Hand-KeyBoard Chart, depicted in the above picture, spells out the name "Central Catholic High School."

The Controlling Accounts are being demonstrated by the Bookkeeping class, periods 1 and 2.

TYPEWRITING

Throughout the school year the typewriters in Rooms 105 and 107 are in constant use. Over 500 students are learning typewriting under the supervision of the Notre Dame Sisters.

The fundamental aim of Sister Mary Annette's and Sister Mary Thomasine's first year typewriting classes, was to increase the mastery of the keyboard through five-minute speed tests.

All the advanced secretarial classes, under the direction of Sister Mary Louis, S. N. D., have received certificates for Mimeograph Work. They have also merited gold pins and certificates for the Gregg "CT" (Competent Typist) test.

COMMERCIAL GEOGRAPHY

The Commercial Geography class, supervised and directed by Sister Mary Thomasine, S. N. D., this year completed a project with stamps. They carried out the life story of Harold Noice in commemoratives.

SHORTHAND

Over 250 students in the Commercial Department are being instructed in the functional method of Gregg shorthand, five periods daily. The first year classes are under the direction of Sister Mary Ludonna, S. N. D. Advanced Shorthand and Transcription is taught by Sister Mary Louis, S. N. D. Many of the Seniors in the class have passed the 100-word transcription test, and belong to the O. G. A., "Order of Gregg Artists" Club.

BOOKKEEPING

The Bookkeeping Course is extremely important in the commercial field, because it aids the students in the preparation for earning a living. Most young people will seek initial employment in some business, and many times it occurs through the aid of this course. General principles of accounting are explained so that the student may understand each specific step in a transaction. An understanding of business and its operation is developed through the actual handling of papers, records, and reports. Sister M. Eventia, S. N. D., is the supervisor.

Mathematics Department

1. The AL-Geo-Trig staff isn't always this inactive.

The students at Central are offered a four-year course in high school mathematics. There are twenty-nine classes held daily: two of solid geometry and trigonometry, three of advanced algebra, eight of plane geometry, eleven first year algebra and five general mathematics. Sixty-two per cent of the enrolled student body, or nine hundred and thirty, enjoy their figures.

The group as a whole edited four issues of the *Al-Geo-Trig*, the last number running articles written by Seniors only. Members of the Junior classes made posters to illustrate the work of ancient mathematicians. The Sophomores made scrapbooks showing the application of plane geometry in the home, in industry and in nature. The Freshmen had their share of work in mastering the fundamentals of algebra and general mathematics.

The teachers in the department are Sister M. Alberta, O. S. F.; Sister M. Bede, O. S. F.; Sister M. Constantia, O. S. F.; Sister DeChantal, O. S. F.; Sister DeSales, O. S. F.; Sister M. Rose, R. S. M.; Sister M. Teresita, O. S. F., and the Rev. J. D. Shenk.

Home Economics Department

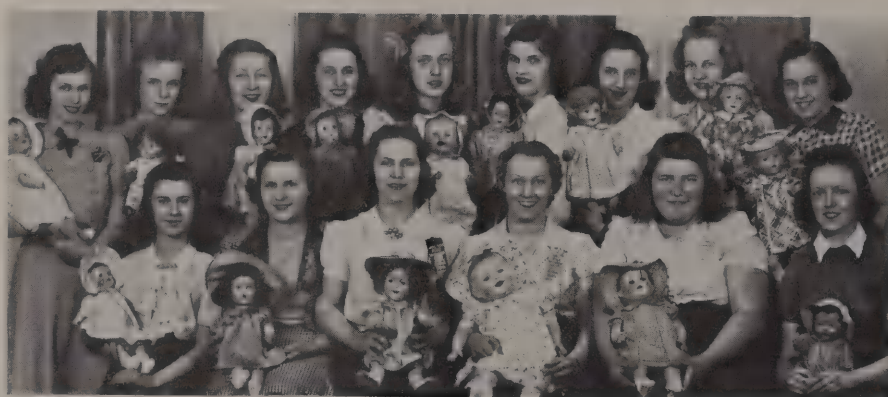

Sugar and spice, and everything nice, flavors the cheery Home Economics room where Sister Mary Louis, O. S. U., teaches her girls to follow in their mothers' footsteps.

The general content of the course grows out of home life and its activities. The first year classes study food, economic marketing, proper preparation of meals and correct table service. Their study of clothing includes fabrics, the use of patterns, the actual making of the clothes and the proper care of them. Their latest project was the doll contest. Each girl in the first year group had a doll to outfit completely for the contest.

Perfect little housekeepers were made of the second year students. They were taught the fundamentals of furnishing and managing the home. Aside from this they completed a course in Home Nursing.

To acquire that ease of "the perfect hostess" the second year girls planned and supposedly had, theatre and birthday parties, at which each in turn played hostess.

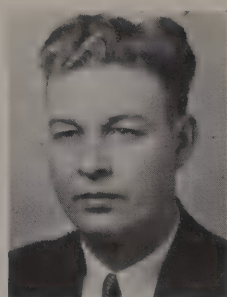

One of the projects of the second year groups was the construction of a miniature two-

story frame house. The house was exhibited in room 316 and in the Library.

The time allotted for this course is two years with five double periods a week.

Mr. Marvin Sauppe

The Dramatic Club of Central is composed of seniors who are interested in the production of the Senior Class Play and the Musical Comedy.

This year Mr. Marvin Sauppe, former Central teacher, replaced Ida Talty Adams as director of the Senior play, "Ladies of the Jury." Eleanor Crockett Watts handled the dramatic side of the operetta, "H.M.S. Pinafore", while the musical work was directed by Mr. Joseph Sainton.

Sister Angela Marie, O. S. U., supervised the club during the operetta because of the absence of Sister M. Callista, O. S. U., moderator.

LADIES OF THE JURY

The Senior Class presented Fred Ballard's "Ladies of the Jury" on the nights of February 2, 3, and 4. Under the direction of Mr. Marvin Sauppe, the cast gave a performance that easily met the high standards set by Central productions of the past.

The background of the play is a murder trial in which Mrs. Yvette Gordon is charged with killing her husband on the perjured testimony of Dr. Quincy Adams James, the Gordon physician, and Evelyn Snow, Mrs. Gordon's personal maid.

Mrs. Crane, at first the lone dissenting juror, proceeds to shift the ballot by playing on the peculiarities of the jury. The play is climaxed when the prejudiced jury foreman, Jay J. Pressley, is forced to vote not guilty under pressure from the rest of the jury.

H.M.S. PINAFORE

Gilbert and Sullivan's "H.M.S. Pinafore" was the Musical Comedy presented at Central, April 5, 6, and 7.

The tale, a ridicule of England's custom of rank inheritance, depicted Josephine and her love for Ralph, a common sailor. Elopement was seemingly hopeless, until Little Buttercup stepped forward to relate that Ralph and the Captain were exchanged at birth. Josephine's marriage to Ralph, the Captain's to Buttercup, and Sir Joseph's to Hebe, climaxed the play.
